

JECSOFA – Mid Summer Outing June 21st 2023

In conjunction with JECSOFA member Haydn Ebbs, we have organised a wonderful day out in the beautiful Charente countryside with a gourmet lunch in the amazing setting of Place des Halles in Villebois Lavelette.

The day will begin by meeting at 10.00 at the amazing and unusual Chateau de la Mercerie where Haydn has organised a special private tour. Even if you have been before, this is not to be missed. There is plenty of parking at the chateau and at the end of the day we will be the only ones there.

Following the visit, we will take the short drive to the ancient market town of Villebois Lavelette where we have arranged parking for a proper display of our Jaguars in the Place du Champ de Foire. Plenty of opportunity for some souvenir photo's

We then have a very short walk to Restaurant Le Lavalette in the stunning setting of Place des Halles. The proprietor Marie will serve a gourmet 3 course lunch with aperitif, house wine and coffee all included for just 35 euros. A menu with choices of meat, fish and vegetarian will be circulated before the day for pre-ordering before the event. Lunch will be served in the square itself and it is truly an unforgettable experience.

To top it all, included in the price is a fantastic commemorative plaque that you will want on your garage wall. Haydn has designed it and in the centre is a photo of just about every classic Jag you can think of.

We would love to see as many of you as possible on the day but we have an absolute limit of 30 cars and 60 people so please respond as soon as you can by filling in the attached entry form and e mailing it to John Sharp at sharpie0061@gmail.com with a payment by bank transfer. RIB attached. As an alternative we can accept payment by cheque payable to JECSOFA and mailed along with the form to John Sharp, 18 Route du Chateau, 16320, Edon.

Also please remember that to take part, you must be a current member of JECSOFA and if you haven't done so yet, please join using the attached form and payment method.
