

## JECSOFA TRUFFLE & WINE-TASTING THURSDAY 6<sup>TH</sup> FEBRUARY 2025

**DATE:** Thursday 6<sup>th</sup> February 2025

**PLACE:** Domaine Montansier, Chebrat, 16120 Graves-St-Amant.

**TIME :** 12 noon.

**PRICE:** 40€/person

François Jobit has agreed to put on a tasting of foods containing truffles produced in his own "truffière" together with his wines for our members. This will take place in his chai which has a great atmosphere, surrounded by the vats and barrels used for his production.

The tasting will be in the form of an "apéro dinatoire" which is to say that the food provided will be equivalent to a meal, and of course there will be an ample selection of wines available. Bearing in mind the cost of truffles, this is excellent value for money.

For anyone who would like to arrive a little earlier, Annie and I cordially invite you to our home for a coffee. We are at number 9 rue de la Fontaine, only a couple of hundred yards back up the road from the tasting event.

This is our first planned event of 2025 and it will be good to meet up with you and have a chat. Please do support us and come along.

**To register, simply email me Chris Park at [parkie007@hotmail.com](mailto:parkie007@hotmail.com) by 31<sup>st</sup> January at the latest please.**

Payment will be made on the day directly to François and can be by cash or credit card. There will be a **10% discount** for any purchases made on the day for those attending. **HAPPY NEW YEAR TO ONE AND ALL!!**
