

Please see below a message from members Pete and Clemency Upton about an event they are kindly organising for us:

We are delighted to announce details of the novice Regularity Rally. There is a maximum of 12 cars, so early booking is advised. There's an explanatory sheet [HERE](#) outlining briefly how the Rally works. However, this event is for novices so it is not a serious competition. It's a lot of fun, a splendid meal with an overnight stay in a lovely Château hotel, together with a chance to use your car for something completely different. Check out the hotel here: [www.chateau-hotel-perigord.com](http://www.chateau-hotel-perigord.com)

The format is as follows: Monday 1st June and Tuesday 2nd June 2026.

1. Arrive Monday 1st at the Château des Reynats in Chancelade, Périgueux, mid afternoon. Rooms are booked in the Orangerie.
2. Gather in a small conference room at 5.00pm for a light-hearted introductory talk about Rallying.
3. Relax and enjoy a splendid meal in the Château. Drinks not included but the wine cellar is amazing!
4. Gather Tuesday morning in the hotel car park. First car leaves at 09:01 with all other cars leaving at 1 minute intervals thereafter.
5. Enjoy a mid morning break from the Rally for coffee and loo stop. Time for animated conversation. Coffee not included.
6. Restart the Rally after coffee. First car leaves at 11.01, followed by all other cars, again at 1 minute intervals, in the same order.
7. Arrive at Rally's end, somewhere near Brantôme, and proceed to lunch at an old favourite, Restaurant Le Jardin Des Chouchou.

The hotel rooms cost around 140€ per couple, including breakfast. Dinner on the 1st is 37€ per head and we shall let you know the cost of the lunch on the Tuesday in due course. A deposit will be requested in due course.

This outing will not only be fun, but will also offer you the potential to discover a new hobby. We would really love this type of outing to become a regular event on the JECSOFA calendar. That can only happen with your support so please come along and see what it's all about.

We look forward to sharing this lovely outing with you,  
Pete and Clemency

Pete and Clemency have put in a lot of work and have discovered, planned, mapped,

driven, measured, re-driven and scribed the route in great detail. So please support the event if you can. They have over 30 years' experience of participating in and organising such events, both in the UK and Europe and so we anticipate that this will be a very well-organised rally. **To register, please reply to Pete and Clem at [clermontet89@gmail.com](mailto:clermontet89@gmail.com) , indicating the names of your driver and navigator and details of the car you will be driving. Registrations will be taken in the order received.**

With very best wishes,

***Your JEC Sof/A Committee.  
Chris, Régis, John, John and Huw.***
